PROPERTY RIGHTS

Section 2.01. Party Wall Rights, Restrictions and Easements. Subject to any other or additional provisions contained in any written agreement between parties affected, each wall which is built as part of the original construction of an attached single family Residential Unit and placed on the lot line of a Residential Unit shall constitute a party wall and to the extent not inconsistent with the provisions of this Declaration, the general rules of law regarding party walls and of liabilities for property damage due to negligence or willful acts or omissions shall apply thereto. In the event and to the extent that the center of any wall between attached single family Residential Units shall encroach into or onto the adjacent Residential Unit, the Owner utilizing said party wall shall have a perpetual exclusive easement appurtenant to his attached Residential Unit on and over such adjoining Residential Unit for the maintenance, repair and restoration of such wall and his attached Residential Unit to the extent that the same shall occupy such adjoining Residential Unit, and such wall shall be deemed a party wall for all purposes of this Declaration. The cost of reasonable repairs and maintenance of a party wall shall be shared equally by the Owners who make use of the wall. If a party wall is destroyed or damaged by fire or other casualty, the Owner who has shared the wall may restore it, and if the other owner thereafter makes use of the wall, they shall contribute equally to the cost of restoration thereof, without prejudice however, to the right of any such Owner to call for a larger contribution from the other under any rule of law regarding liability for negligence or willful acts or omissions. Notwithstanding any other provisions of this Declaration to the contrary, any Owner who by his negligence or willful act, or the negligence or willful act of his occupancy causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements. The right of any Owner to contribution from any other owner under this Declaration shall be appurtenant to the land and shall pass to such

Owner's successors in title. Easements are hereby declared and granted to Owners having a party wall to install, lay, operate, maintain, repair and replace any pipes, wires, ducts, conduits, public utility lines or structural components through the party walls of two or more attached single family Residential Units, whether or not such walls lie in all or in part within the boundaries of a Residential Unit. Every portion of an attached single family Residential Unit which contributes to the structural support of another Residential Unit shall be burdened with an easement of structural support for the benefit of the other Residential Units.

Section 2.02. Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment as between each adjacent Residential Unit due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed or altered thereon (in accordance with the terms of this Declaration) to a distance necessary to encompass any constructed encroachment, either now existing or arising in the future; provided, however, in no event shall an easement for encroachment exist if such encroachment occurred due to the intentional, willful, or knowing conduct on the part of any Owner or Occupant.

Section 2.03. Easements for Utilities, Etc. Declarant hereby reserves for Builder, Declarant, and its designees (including, without limitation, the Town of Cedar Lake and any utility) easements upon, across, over and under the Residential Units for ingress, egress, installation, replacing, repairing and maintaining cable television systems, master television antenna systems, and similar systems, walkways, and all utilities, including, but not limited to, water, sewers, meter boxes, telephones, gas and electricity. This reserved easement may be assigned by Declarant by written instrument to the Association, and the Association shall accept the assignment upon such terms and conditions as are acceptable to Declarant. If this reserved easement is assigned to the Association, the Board shall, upon written request, grant such easements as may be reasonably necessary for the development of the Development Area.

Without limiting the generality of the foregoing, there are hereby reserved for the Town of Cedar Lake, Indiana, easements across all Residential Units for ingress, egress, installation, reading, replacing, repairing, and maintaining water meter boxes.

Notwithstanding anything to the contrary contained in this Section, no sewers, electrical lines, water lines, or other utilities may be installed or relocated on Residential Units, except as may be approved by the Association's Board of Directors or as provided in the development and sale by Declarant or Builder. Should any entity furnishing a service covered by the general easement herein provided request a specific easement by separate recordable document, the Board of Directors shall have the right to grant such easement without conflicting with the terms hereof. The easements provided for in this Article II shall in no way adversely affect any other recorded easement on the Submitted Parcel.

Section 2.04. Right of Entry. The Association shall have the right and license, but shall not be obligated, to enter into any Residential Unit which is an attached single family dwelling for emergency, security and safety purposes, which right may be exercised by the Association's Board of Directors, officers, agents, employees, managers and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during the reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter such Residential Unit to cure any condition which may increase the possibility of a fire

or other hazard in the event an Owner fails or refuses to cure the condition upon request by the Board. There is hereby granted to the Association, and its agents, employees, and independent contractors, a license to enter upon all Lots and Parcels to the extent necessary or appropriate for the conduct of the Association's responsibilities under Article IV.

Section 2.05. Ingress and Egress Easements. The ingress and egress easements are depicted on the Plat.

Section 2.06. Non-Exclusive Easements. Declarant hereby declares the following non-exclusive easements are hereby created with respect to the Common Area, if any:

a. Each Owner and their respective guests, invitees and employees shall have a non-exclusive easement for use and enjoyment in and to the Common Area subject to the following: (i) right of the Association to pass reasonable rules and regulations relating to such use and enjoyment, (ii) the right of the Association to suspend an Owner's right to use or enjoy such easement for any period during which such Owner may be in violation of this Declaration, (iii) the right of the Association to levy assessments as herein provided, and (iv) any and all rights reserved to Declarant, Builder and the Association as herein provided.

b. A non-exclusive easement for the installation and maintenance of drainage facilities and utility easements is hereby granted to the Association and reserved by the Declarant over, under, across and through the Common Area. If any such drainage or utility facilities are not installed or in any easements for such purposes are not created with respect to a Lot or Residential Unit or any portion thereof prior to delivery of a Deed to an Owner, said Owner hereby grants to the Declarant and the Association a power of attorney to execute and record any such easements with respect to any Lots or Residential Units owned by said Owner for the benefit of the Subdivision. The foregoing power of attorney is hereby coupled with an interest and is therefore irrevocable.

The Declarant, Builder, Association and any of their respective agents, employees and independent contractors shall have the right to enter upon the Common Area and any Lot or Residential Unit to the extent necessary for the purpose of maintaining, repairing and replacing the Common Area as herein provided or for performing any of their respective obligations herein provided. In any such case, the Declarant, Builder, Association, or any of their agents, employees or independent contractors shall not be guilty of trespass.

ARTICLE III

ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Section 3.01. Membership and Meeting. Every Owner shall be deemed to have a membership in the Association. No Owner, whether one or more persons, shall have more than one (1) membership per Residential Unit owned. In the event the Owner of a Residential Unit is more than one (1) person or entity, votes and rights of use and enjoyment shall be as provided herein. The rights and privileges of membership, including the right to vote, may be exercised by a Member or the Member's spouse, but in no event shall more than one (1) vote be cast for each Residential Unit.

The first annual meeting of the Association shall not be held until such time as the rights of the Builder to appoint directors and to thereby control the Association shall have expired as provided in Section 3.03 of this Declaration or at such earlier time or times as may be determined by the Builder. The next annual meeting shall be set by the Board of Directors so as to occur no later than ninety (90) days after the close of the Association's fiscal year. Subsequent annual meetings shall be held within thirty (30) days of the same day of the same month of each year thereafter at an hour set by the Board of Directors. Subject to the foregoing, the annual meeting of the Members shall be held at a date and time as set by the Board of Directors. Subject to the foregoing, the Members shall, at each annual meeting, elect the Board of Directors of the Association in accordance with the provisions of the By-Laws and transact such other business as may properly come before the meeting.

Section 3.02. Voting. The Association shall have one (1) class of membership. Members shall be entitled on all issues to one (1) vote for each Residential Unit in which they hold an interest required for membership by Section 3.01 hereof; there shall be only one (1) vote per Residential Unit. When more than one (1) person or entity holds such interest in any Residential Unit, the vote for such Residential Unit shall be exercised as those persons or entities themselves determine and advise the Secretary of the Association in writing prior to any meeting. In the absence of such advice, the Residential Unit's vote shall be suspended in the event more than one (1) person or entity seeks to exercise it.

Any Owner of Residential Units which are leased may, in the lease or other written instrument, assign the voting right appurtenant to that Residential Unit to the lessee, provided that a copy of such instrument is furnished to the Secretary prior to any meeting.

The voting rights of Members shall be subject to the Declarant and/or Builder's rights pursuant to the provisions of Article XVI and Article XVII hereof.

Section 3.03. Number Terms and Selection of Board of Directors. The initial Board of Directors shall consist of three (3) directors appointed by the Builder who may but need not be Owners or Members of the Association, and who shall serve those terms of office as established by the By-Laws. The Builder shall have the right to select and designate all of the directors, and accordingly therefore the right to operate and control the Association, until the Turnover Date. Thereafter, directors shall be elected as otherwise required by the Articles of Incorporation and By-Laws of the Association and must be Members of the Association.

Notwithstanding any other provision of this Declaration, the Articles of Incorporation, or the By-Laws, from and after the date of the recording of the Declaration until the Turnover Date, the Association shall be governed by the Board of Directors appointed from time to time by Builder. Such Board of Directors so appointed shall exclusively hold all rights and powers which a Board of Directors or the Association would have under this Declaration, the Articles of Incorporation, or the By-Laws, except as specifically limited herein. Such Board of Directors may appoint from time to time from among the Owners of Residential Units, one or more committees to advise and assist it in the performance of its functions. The rights and powers of such Board of Directors shall be limited as follows:

- a. All assessments shall be made in accordance with this Declaration.

b. Such Board shall have no power to reallocate the voting power among the Members in any manner contrary to this Declaration.

c. Such Board shall not take any action requiring the vote or consent of any Mortgagee unless the vote or consent of such Mortgagee is obtained.

Builder shall have the right to waive, on behalf of the Association, the annual meeting and annual accounting provided for in this Declaration, so long as Builder retains control of the Association. At the time of turnover of control by Builder, a meeting of the Association will be called, at which time the rights and powers of the Builder appointed Board of Directors shall terminate and the Association shall thereafter be governed in accordance with the other provisions of this Declaration, the Articles of Incorporation and the By-Laws. Each Member shall be deemed to have given to Builder an irrevocable proxy to vote on any and all matters on which such Member is entitled to vote under this Declaration, or under the Articles of Incorporation or the By-Laws of the Association. The proxy hereby granted to Builder shall be deemed to be coupled with an interest and irrevocable. Such proxy shall terminate as of the Turnover Date as set forth above.

ARTICLE V

INSURANCE AND CASUALTY LOSSES

Section 5.01. Insurance. The Association may, but shall not, under any circumstances, be obligated to, obtain and continue in effect adequate blanket all-risk casualty insurance in such form as the Board of Directors deems appropriate for the full replacement cost of all structures on the Residential Units, as well as public liability insurance. If the Association elects not to obtain such casualty insurance, then each Owner shall obtain such insurance in accordance with Section 5.02 hereof. All provisions of this Article shall apply to all policy provisions, loss adjustment and all other subjects of all policies of insurance whether such policies are obtained by the Association or the Owners, or both.

The Association, acting through its Board, shall obtain a master casualty policy affording fire and extended coverage insurance insuring the capital assets of the Association in an amount equal to the full replacement value thereof or any improvements located upon the Common Area or reserved easement herein as determined by a qualified property and casualty insurer. The amount shall be determined and the insurance renewed annually.

Each Owner shall also obtain a public liability policy covering the Residential Unit owned by such Owner, and shall name the Association as an additional insured as to such policy. The public liability policy shall have at least a Five Hundred Thousand Dollars (\$500,000.00) limit per occurrence and a One Hundred Thousand Dollar (\$100,000.00) minimum property damage limit. In addition, each Owner upon request of the Association shall provide a copy of the insurance policy or a certificate to the Association.

Premiums for insurance obtained by the Association shall be a Common Expense of the Association and shall be included in the Assessments, as described in Article IX. Premiums for insurance obtained by Owners shall be paid by such Owners.

All casualty insurance coverage obtained by the Association or by any Owner shall be for the respective benefitted parties, as further identified in b. below. Such insurance shall be governed by the provisions hereinafter set forth.

- a. All policies shall be written with a company licensed to do business in Indiana and holding a "secure rating" of A or better as reflected in the current A.M. Best Company, Inc. guide, if reasonably available, or, if not available, the most nearly equivalent rating. Additionally, property damage insurance shall be for the full replacement cost.

b. All policies on Residential Units shall be for the benefit of the Residential Unit Owners and their Mortgagees as their interests may appear. The policies may contain a reasonable deductible, and the amount thereof shall be added to the face amount of the policy in determining whether the insurance at least equals the full replacement cost. The deductible shall be paid by the party who would be responsible for the repair in the absence of insurance and in the event of multiple parties shall be allocated in relation to the amount each party's loss bears to the total.

c. In no event shall any insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners, Occupants or their Mortgagees.

d. All casualty insurance policies shall have an inflation guard endorsement, if reasonably available, and an agreed amount endorsement with an annual review by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the Cedar Lake, Indiana area.

e. The Association's Board of Directors and each Owner shall be required to make reasonable efforts to secure insurance policies that will provide for the following:

(1) a waiver of subrogation by the insurer as to any claims against the Association, its Board of Directors, and manager, the Owners, and each of their respective tenants, servants, agents and guests;

(2) a waiver by the insurer of its rights to repair and reconstruct, instead of paying cash;

(3) that no policy obtained by the Association may be canceled, invalidated or suspended on account of any one or more individual Owners;

(4) that no policy may be canceled, invalidated or suspended on account of the conduct of any Director, officer or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, any Owner or Mortgagee;

(5) that any "other insurance" clause in any policy exclude the Association and individual Owners' policies from consideration; and

(6) that no policy may be canceled or substantially modified without at least ten (10) days' prior written notice to the Association or the Owner.

Section 5.01A. Other Association Insurance. In addition to the other insurance required by Section 5.01 hereof, the Board shall also have the authority to and shall obtain, as a Common Expense, the following:

- a. Comprehensive public liability and property damage insurance against claims for person injury or death or property damage suffered by the public or by any Owner occurring in or about the streets, sidewalks and passageways and other areas within the Submitted Parcel and/or with respect to the Association's maintenance obligations set forth in Section 4.01 hereof, in such amounts as the Board shall deem desirable.
- b. Such workmen's compensation insurance as may be necessary to comply with applicable laws.
- c. Employer's liability insurance in such amount as the Board shall deem desirable.
- d. Directors' and Officers' liability insurance, as set forth in Section 14.02 hereof.
- f. Such other insurance in such reasonable amounts as the Board shall deem desirable.

Such insurance coverage shall include cross liability claims of one or more insured parties against other insurance parties. The premiums for such insurance shall be Common Expenses.

Section 5.02. Individual Insurance. By virtue of taking title to a Residential Unit subject to the terms of this Declaration, each Owner covenants and agrees with all other Owners and with the Association that each individual Owner shall carry blanket all-risk casualty insurance on the Residential Unit and structures constructed thereon as provided for in Section 5.01 hereof, unless the Association carries such insurance, which the Association is not obligated to do. Each individual Owner further covenants and agrees that in the event of any loss or damage and destruction the proceeds of such insurance shall be used only in accordance with this Declaration. In the event that the structure is totally destroyed and by a vote of three-fourths (3/4) of all Members entitled to vote (not three-fourths (3/4) of a quorum), it is determined, subject to the further requirements of Section 5.04 hereof, not to rebuild or to reconstruct, the individual Owner shall clear the Residential Unit of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction. A decision not to rebuild or reconstruct shall under no circumstances relieve or discharge an Owner from the obligation to pay Assessments to the Association.

Section 5.03. Disbursement of Proceeds. Proceeds of insurance policies obtained by the Association shall be paid to the Insurance Trustee to be disbursed as follows:

- a. If the damage or destruction for which the proceeds are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repair or reconstruction or, in the event no repair or reconstruction is made, shall be disbursed to the affected Owner or Owners and their Mortgagee(s) as their interests may appear. This is a covenant for the benefit of any Mortgagee of a Residential Unit and may be enforced by such Mortgagee.
- b. If it is determined, as provided for in Section 5.02 hereof, that the damage or destruction for which the proceeds are paid shall not be repaired or reconstructed, such proceeds shall be disbursed in the manner as provided for in Section 5.03a. hereof.

Section 5.04. Damage and Destruction.

a. Immediately after the damage or destruction by fire or other casualty to all or any part of a Residential Unit, the Owner of the Residential Unit shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Residential Units. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Residential Units to substantially the same condition in which they existed prior to the fire or other casualty.

b. Any damage or destruction shall be repaired or reconstructed by the Owner unless by a vote of at least three-fourths (3/4) of all Members entitled to vote (not three-fourths (3/4) of a quorum), the Association shall decide within sixty (60) days after the casualty not to require such repair or reconstruction. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction shall be repaired or reconstructed.

c. In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the Residential Unit shall be restored to its natural state by the Owner or Owners thereof and maintained as an undeveloped portion of the Project by the Association in a neat and attractive condition.

Section 5.05. Repair and Reconstruction. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Members, levy a Special Assessment against the Owner or Owners of Residential Units affected by such damage or destruction. Additional Assessments may be made in like manner at any time during or following the completion of any repair or construction.

Section 5.06. Appointment of Insurance Trustee. The Association, as Insurance Trustee, shall have the right to appoint any federal or state bank which is qualified to offer trust services to the public as Insurance Trustee hereunder, and upon such appointment shall be relieved of all liability and responsibility as Insurance Trustee hereunder.

ARTICLE VI

NO PARTITION

Except as is permitted in this Declaration or amendments thereto, there shall be no physical partition of a Residential Unit or any part thereof, nor shall any person acquiring any interest in any Residential Unit or any part thereof seek any such judicial partition unless the Submitted Parcel has been removed from the provisions of this Declaration. This Article shall

not be construed to prohibit the Board of Directors from acquiring title to real property which may or may not be subject to this Declaration.

ARTICLE VII

CONDEMNATION

Whenever all or any part of a Residential Unit shall be taken (or conveyed in lieu of and under threat of condemnation by the Owner) by any authority having the power of condemnation or eminent domain, each Owner damaged by such condemnation shall be entitled to pursue all available remedies against the condemning authority. Should any property owned or maintained by the Association as Common Area be affected by the condemnation, the Association shall be entitled to pursue all available remedies against the condemning authority for the damages sustained to such property.

ARTICLE VIII

RIGHTS, OBLIGATIONS AND POWERS OF THE ASSOCIATION

Section 8.01. Real and Personal Property for Common Use. The Association, through the actions of its Board of Directors, may acquire, own, lease, hold and dispose of real property and tangible and intangible personal property.

Section 8.02. Rules and Regulations. The Association, through its Board of Directors, may make and enforce reasonable rules and regulations governing the operations of the Association, which rules and regulations shall be consistent with the rights and duties established by this Declaration. Sanctions may be imposed in accordance with Article XII. The Board shall also have the power to seek relief in any court for violations or to abate nuisances. In addition, the Association shall permit the Town of Cedar Lake, Indiana, to enforce ordinances on the Submitted Parcel for the benefit of the Association and its Members.

Section 8.03. Implied Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration, the Articles of Incorporation, the By-Laws, or the Rules and Regulations, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

ARTICLE IX

ASSESSMENTS

Section 9.01. Creation of Assessments. There are hereby created Assessments for Common Expenses as may be from time to time specifically authorized by the Board of Directors to be commenced at the time and in the manner set forth in Section 9.06 hereof. Except as provided below, Assessments shall be allocated equally among all Residential Units within the Association and shall be for expenses determined by the Board to be for the benefit of the Association as a whole. Each Owner, by acceptance of his or her deed or recorded contract of sale, is deemed to covenant and agree to pay these Assessments. All such Assessments, together with interest at the rate of twelve percent (12%) per annum, costs, and

reasonable attorneys' fees shall be a charge on the Residential Unit and shall be a continuing lien upon the Residential Unit against which each Assessment is made.

Each such Assessment together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Residential Unit at the time the Assessment arose, and his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance to the extent expressly assumed, except no first Mortgagee who obtains title to a Residential Unit pursuant to the remedies provided in the Mortgage shall be liable for unpaid Assessments which accrued prior to such acquisition of title. Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors which may include, without limitation, acceleration of the annual Assessment for delinquent Owners. Unless the Board otherwise provides, the Assessments shall be paid in bi-annual installments.

The Association is specifically authorized to enter into subsidy contracts with Builder or other entities for the payment of some portion of the Common Expenses.

Section 9.02. Computation of Assessment. It shall be the duty of the Board, at least thirty (30) days before the beginning of the budget year (the budget year shall be from January 1 through December 31) and ten (10) days prior to the meeting at which the budget shall be presented to the membership, to prepare a budget covering the estimated costs of operating the Association during the coming budget year. Subject to the provisions of Section 9.05 hereof, the budget shall include a capital contribution establishing a reserve fund in accordance with a capital budget separately prepared and shall separately list general expenses. The Board shall cause a copy of the budget, and the amount of the Assessments to be levied against each Residential Unit for the following budget year to be delivered to each Owner at least seven (7) days prior to the meeting. The budget and the Assessments shall become effective when adopted by the Board of Directors.

Notwithstanding the foregoing, however, in the event the Board fails for any reason so to determine the budget for the succeeding budget year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the then current year shall continue for the succeeding budget year.

The Board may not, without the vote or written consent of a majority of the votes of the Association, impose an Assessment per Residential Unit which is greater than one hundred fifty percent (150%) of the amount for the previous fiscal year, except for the Assessment levied for the first time.

Upon the Declarant or Builder's sale of a Residential Unit to a third party Owner, the following assessments shall be collected by and for the benefit of the Association at the time of the initial closing on the Residential Unit: (1) an initial closing assessment of Three Hundred Dollars (\$300.00), (2) for each Quad Residential Unit, a yearly Assessment of One Thousand Eight Hundred Dollars (\$1,800.00) per year, of which Six Hundred Dollars (\$600.00) shall be allocated to the Quad Residential Unit Reserve, or as otherwise determined herein by the Board per calendar year (prorated for the first year of ownership), and (3) for each Residential Unit other than a Quad Residential Unit, a yearly Assessment of One Thousand Two Hundred Dollars (\$1,200.00) per year or as otherwise determined herein by the Board per calendar year (prorated for the first year of ownership).

Thereafter, for each Quad Residential Unit, a yearly assessment of One Thousand Eight Hundred Dollars (\$1,800.00) per year or as otherwise determined by the Board (of which Six Hundred Dollars (\$600.00) or as otherwise determined by the Board shall be allocated to the Quad Residential Unit Reserve) shall be due and payable to the Association on a pro rata bi-annual basis on or before the first day of January and July each year, or as otherwise determined by the Board. For each Residential Unit other than a Quad Residential Unit, a yearly Assessment of One Thousand Two Hundred Dollars (\$1,200.00) per year or as otherwise determined by the Board shall be due and payable to the Association on a pro rata bi-annual basis on or before the first day of January and July each year, or as otherwise determined by the Board.

Section 9.03. Special Assessments. In addition to the Assessments authorized in Section 9.01, the Association may levy a Special Assessment or Special Assessments in any year applicable to that year, provided, however, that such Special Assessment for any purpose other than as a sanction against an Owner shall have the vote or written assent of more than fifty percent (50%) of a quorum of Members entitled to vote at a meeting called for the purpose. The Association may also levy a Special Assessment as a sanction against any Owner to reimburse the Association for costs incurred in bringing an Owner and such Owner's Residential Unit into compliance with the provisions of the Declaration, the Amendments thereto, the Articles of Incorporation, the By-Laws, and the Rules and Regulations, which Special Assessment may be levied upon the vote of the Board.

Section 9.04. Lien for Assessments. When a notice of the lien has been recorded, such Assessment or Special Assessment shall constitute a perfected lien on each Residential Unit prior and superior to all other liens, except (1) all taxes, bonds, assessments, and other levies which by law would be superior thereto, and (2) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage or deed of trust with first priority over other Mortgage or deeds of trust) made in good faith and for value. Such lien, when delinquent, may be enforced by suit, judgment and foreclosure.

The Association, acting on behalf of the Owners, shall have the power to bid for the Residential Unit at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. During the period owned by the Association, following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no Assessment shall be assessed or levied on it; and (c) each other Residential Unit shall be charged, in addition to its usual Assessment, its equal pro rata share of the Assessment that would have been charged such Residential Unit had it not been acquired by the Association as a result of foreclosure. A suit to recover a money judgment for unpaid Assessments and attorneys' fees shall be maintainable without foreclosing or waiving the lien securing the same.

Section 9.05. Capital Budget and Contributions. In the event that the Association becomes the owner of any capital asset, or is charged with the duty for the upkeep, maintenance and repair of a capital asset, the Board of Directors shall annually prepare a capital budget which shall take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost. The Board shall set the required capital contribution, if any, in any amount sufficient to permit meeting the projected capital needs of the Association, as shown on the capital budget, with respect both to amount and timing by annual Assessments over the period of the budget. The capital contribution

required shall be fixed by the Board and included within the budget and Assessment, as provided in Section 9.02 hereof. A copy of the capital budget shall be distributed to each Member in the same manner as the operating budget.

Section 9.06. Subordination of the Lien to First Deeds of Trust and First Mortgages. The lien of the Assessments, including interest, late charges subject to the limitations of Indiana law, and costs (including attorneys' fees) provided for herein, shall be subordinate to the lien of any bona fide first Mortgage upon any Residential Unit. The sale or transfer of any Residential Unit shall not affect the Assessment or Special Assessment lien. However, the sale or transfer of any Residential Unit pursuant to judicial or nonjudicial foreclosure of a first Mortgage shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Residential Unit from lien rights for any Assessments or Special Assessments thereafter becoming due. Where the Mortgagee of a first Mortgage of record or other purchaser of a Residential Unit obtains title, his successors and assigns shall not be liable for the share of the Assessments by the Association chargeable to such Residential Unit which became due prior to the acquisition of title to such Residential Unit by such acquirer. Such unpaid share of the Assessments shall be deemed to be Common Expense collectible from all of the Residential Units, including such acquirer, his successors and assigns.

ARTICLE X

ARCHITECTURAL STANDARDS

This Article may not be amended without the Declarant's written consent, so long as the Declarant owns any real estate subject to this Declaration or subject to annexation to this Declaration.

No construction, which term shall include within its definition, staking, clearing, excavation, grading and other site work, and no plantings or removal of plants, trees or shrubs shall take place except in strict compliance with this Article, until the requirements thereof have been fully met, and until the approval of the Architectural Review Committee (the "ARC") has been obtained. The ARC shall consist of three (3) members. The initial ARC shall consist of the Declarant and any persons designated by the Declarant. After the Turnover Date, the members of the ARC shall be appointed by the Board of Directors. The ARC shall have exclusive jurisdiction over all modifications, additions or alterations made on or to existing Residential Units and the open space, if any, appurtenant thereto. The original construction of the single-family unit shall be in accordance with the plans and specifications approved by the Declarant. Notwithstanding anything to the contrary in this Declaration, until the Turnover Date the Builder shall solely act as the ARC for purposes of reviewing and potentially approving landscaping and vegetation, privacy dividers, pavers, and the placement of satellite dishes.

Section 10.01. Architectural Standards. Notwithstanding that it is the Owner's responsibility to maintain and repair the Residential Unit owned by him and/or her, each Owner agrees that they are prohibited from taking any action with regard to the following:

- a. The reconfiguration of any existing structure of a Residential Unit in any manner whatsoever.

- b. The use of any materials on the exterior of any Residential Unit which is not substantially the same to that which was provided as a part of the original construction, both in quality, color and other appearance.
- c. The erection of clotheslines, awnings, or other similar items or devices.
- d. The use of window coverings which are not white or beige or show a white or beige appearance when viewed from the exterior of the Residential Unit.
- e. The use of mailboxes not in conformity with the quality and style and location of the original mailboxes installed for the Residential Units in accordance with Section 11.11.
- f. The use of exterior lamp posts not in conformity with the quality and style and location of the original exterior lamp posts installed for the Residential Units by the Declarant in accordance with Section 11.12.
- g. No fencing will be permitted for any purpose on a Lot. This provision does not prohibit the ARC from allowing vegetation or PVC privacy dividers, so long as an Owner submits a proposal to the ARC and approval has been obtained. In this regard, no PVC privacy dividers or dividers of similar material will be allowed, except in limited instances when two patios or decks, or two screened patios/decks, or two covered patios/decks are adjacent to one another at the common wall property line between Residential Units within the same building.

In addition to the foregoing prohibitions, each Owner shall have an affirmative obligation to maintain and repair his and/or her Residential Unit in such manner as to maintain at all times the uniformity of appearance of such Residential Unit with all others in the community. Notwithstanding anything contained herein to the contrary, no permission or approval shall be required to repaint in accordance with an originally approved color scheme, or to rebuild in accordance with originally approved plans and specifications. Nothing contained herein shall be construed to limit the right to an Owner to remodel the interior of his residence, or to paint the interior of his residence any color desired.

Section 10.02. Architectural Construction and Landscaping Standards and Use Restrictions for Residential Units. No structure shall be erected, including exterior remodeling or additions to existing Residential Units, or permitted on any Lot in the Subdivision until plans and specifications for that structure have been submitted to and approved in writing by the Declarant until control of the Association is turned over to the Owners and at that time, then approved in writing by the ARC. A "structure" is defined as any building, pool, driveway, breeze way, pond, kennel, playhouse, barn, or any other building or fixture that is permanent.

Each contractor or Owner must submit to the Declarant and/or the ARC and receive the Declarant's or ARC's written approval of the following items before any construction on any structure may begin:

- a. Drawings showing all four elevation and masonry areas;
- b. Floor plan showing square footage;

- c. Site plan showing grade plan, placement of the structure on the Lot and the location of driveway and walkways;
- d. Landscape and sidewalk plans; and
- e. Provide a detail of materials and manufacturer specifications to be used.

The Builder may submit a single set of plans for multiple structures and Lots and the ARC may approve or disapprove such plans either individually or collectively. The ARC's approval or disapproval as required in these Covenants shall be in writing. In the event the ARC, or its designated representative, fails to approve or disapprove within thirty (30) days after the plans and specifications have been submitted to it, approval by the ARC will be presumed, provided that no structure, as previously defined, shall be erected which violates any of the Covenants or restrictions as set forth in this Declaration.

Refusal or approval of plans and specifications by the ARC may be based upon any ground, including purely aesthetic ones.

The ARC reserves the power to make exceptions to these restrictions and covenants as it deems proper.

Whether or not a provision specifically states in any conveyance of any Parcel by the Declarant, its successors or assigns, the owner or occupancy of any Parcel, by acceptance of title thereto or by taking possession, covenants and agrees to adhere to all of the covenants, restrictions, duties, obligations and procedures as set forth in this documents.

None of the Declarant, the Builder, the Association, the ARC, or their respective representatives, or any member thereof, shall be liable for any damage, loss, or prejudice suffered or claimed by any contractor or Owner or Occupant which submits such a plan or specification on account of:

- (i) Any effects in any plans or specifications submitted, revised or approved in accordance with the provisions of this Article X;
- (ii) Any structural defects in any work done according to the plans and specifications;
- (iii) The approval or disapproval of any plans, drawings and specifications, whether or not defective;
- (iv) The construction or performance of any work, whether or not done pursuant to approved plans, drawings and specifications; or
- (v) The development of any real estate in the Subdivision.

Any person or entity submitting plans or specifications to the Declarant or the ARC, or their representatives, or any member thereof, shall hold them harmless from all damage, loss, or prejudice suffered or claimed by any third party, including attorney's fees incurred.

During construction on any Lot in the Subdivision, the contractor on that Lot shall remove all trash and debris resulting from construction on the Lot. Each building of a Residential Unit in the Subdivision shall maintain a dumpster for all construction debris and mud, although a single dumpster may be used for multiple Lots. Each contractor other than Builder will specifically be held responsible for clearing the roadway of all mud and debris placed on the road by any contractor, subcontractor or material man. No debris shall be burned or disposed of on any real estate in the Subdivision.

All exterior work in the construction of any Residential Unit, including driveways, shall be completed within nine months from the date of the issuance of the building permit. Extensions of time, for good cause, may be granted by the ARC.

No improvement which has been partially or totally destroyed by fire or other reason, shall be allowed to remain in that state for more than ninety (90) days from the date of such destruction or damage. Extensions of time, for good cause, may be granted by the ARC.

Section 10.03. Minimum Building Requirements. Any Residential Unit shall meet the following minimum requirements:

- a. All Residential Units shall be erected by a general contractor licensed by the Town of Cedar Lake.
- b. There shall be no quad level, tri-level and/or bi-level Residential Units.
- c. Any Residential Unit erected on any Parcel shall erect an attached garage and in addition thereto shall provide a minimum of two off-street parking spaces which shall consist of a driveway. All driveways and parking areas shall be comprised of concrete or as otherwise approved by the ARC. No driveways or off-street parking areas shall be located in any required rear yard.

Section 10.04. Landscaping.

- a. Within three (3) months from the date of occupancy of any Residential Unit the contractor on any Parcel shall sod all front and sides facing or fronting a street and shall seed or sod all side and rear yards not covered by porches, patios, driveways, or sidewalks, provided however that seeding shall be not required between October 15th and April 30th if occupancy occurs after September 15th of each year. Each required front, side and rear yard, as defined and required by Area Width and Yard Regulations of the Cedar Lake Zoning Ordinance.
- b. Any Residential Unit erected on any Parcel shall connect all footing and sump drainage to the public storm sewer, provided however that downspouts or other roof or surface drainage shall be discharged to the Parcel surface and not the storm sewer, provided further, that driveways may drain to the street curb. No downspout, sump pump or other storm or drainage discharges shall be connected or emptied into the sanitary sewers serving the Subdivision.

c. Each Lot with an unattached Residential Unit (e.g., a cottage home) shall have at least two (2) trees and five (5) shrubs such Lot. Lots with only two (2) attached Residential Units (e.g., a paired villa) shall have at least two (2) trees and ten (10) shrubs collectively for such two (2) attached Residential Units. Lots with four (4) attached Residential Units (e.g., Quad Residential Units) shall have at least two (2) trees and twenty (20) shrubs collectively for such four (4) attached Residential Units. No trees or shrubs shall be planted or maintained which are listed on the Town of Cedar Lake prohibited species list.

Section 10.05. Driveway Requirements. No Residential Unit or structure erected or placed on any Parcel in the Subdivision shall be occupied in any manner at any time prior to the installation and construction thereon by the contractor thereof (at the contractor's sole expense), of a concrete driveway from the street to the garage provided, however, that this requirement may be extended for a period not to exceed one hundred twenty (120) days in the event such Residential Unit shall be ready for occupancy during a time when inclement weather or labor strike shall prevent the construction and installation of such driveway.

Section 10.06. Exterior Color Plan. The Declarant shall have final approval of all exterior color plans and each contractor must submit to the Declarant, and then upon the Declarant's resignation to the ARC, a color plan showing the color of the roof, exterior walls, shutters, trim, etc. It shall then be considered the extent to which the color plan is consistent with the homes in the surrounding areas and the extent to which the color plan conforms with the natural color scheme of and for the Subdivision.

ARTICLE XI

USE RESTRICTION

Section 11.01. Residential Restrictions. The Lots subject to this Declaration may be used for attached and unattached single-family residential units and for no other purpose. Any and all business, trade, or similar activity is prohibited, except that an Owner or occupant residing in a dwelling on a Lot may conduct business activities within the dwelling so long as: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from outside the dwelling; (b) the business activity conforms to all zoning requirements; (c) the business activity does not involve door to door solicitation of residents of the Subdivision; (d) the business activity does not generate a level of vehicular or pedestrian traffic or a number of vehicles being parked in the Subdivision which is noticeably greater than that which is typical of dwellings in which no business activity is being conducted; and (e) the business activity is consistent with the residential character of the Subdivision and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Subdivision. The terms "business" and "trade," as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) such activity is engaged in a full or part time manner; (ii) such activity is intended to or does generate a profit; or (iii) a license is required. The only exception hereto is any model provided by the Declarant or Builder to promote the sales of the Parcels and/or Residential Units. The Association, acting through the Board of Directors, shall have standing and the

power to enforce the use restrictions contained herein as well as those stated in the ordinances of the Town of Cedar Lake as if all of such provisions were regulations of the Association.

Section 11.02. Nuisances. No nuisances shall be allowed upon any Residential Unit nor shall any use or practice be allowed which would annoy residents or interfere with the peaceful possession and proper use of the Residential Units by its residents, or which will obstruct or interfere with the rights of other Owners or the Association. This provision shall not be construed to prohibit or limit the enforcement of any provision of the Declaration which does not constitute a nuisance, or to prohibit the Association from adopting Rules and Regulations prohibiting conduct which does not constitute a nuisance.

In addition, the following shall apply to all Parcels and Owners of any portion of a Parcel described herein:

- a. No burning of refuse shall be permitted.
- b. The use of any driveway or parking area which may be in front of or adjacent to or part of any Parcel as a habitual parking place for commercial vehicles is prohibited. The term "commercial vehicles" shall include all trucks (larger than 3/4 ton), construction equipment and vehicular equipment which bear signs or have printed on the side of said vehicle reference to any commercial undertaking or enterprise. Commercial vehicles shall also include all limousines for hire. The habitual violation of the parking regulations set forth in this paragraph shall be deemed a nuisance. Pick-up trucks (3/4 ton or smaller) and vans (3/4 ton or smaller), with or without a commercial name, shall be an exception to this exclusion.
- c. No buildings shall be located or maintained within the utility and drainage easements within the real estate. The removal of such as required by the Town of Cedar Lake, Lake County, Indiana, or any public utility or governmental agency shall be at the sole cost and expense of the Parcel Owner.
- d. No plants or seeds, harboring or breeding infectious plant diseases or noxious insects shall be introduced or maintained upon any part of a Parcel.
- e. No Owner shall allow the temperature within its attached single family dwelling on a Residential Unit to fall below the minimum temperature of 60° Fahrenheit.

Section 11.03. Immoral, Improper, Offensive and Unlawful Uses. No immoral, improper, offensive or unlawful use shall be made of any Residential Unit nor any part thereof and all laws, zoning ordinances and regulations of all governmental bodies regarding the maintenance, modification or repair of Residential Units shall be the same as provided in Article IV hereof.

Section 11.04. Uses Affecting Insurance Rates. An Owner shall not permit or suffer anything to be done or kept in a Residential Unit which will increase the insurance rates on any other Residential Unit.

Section 11.05. Signs and Other External Items. No Owner shall display any sign (except for temporary but tasteful "for sale" or "for rent" signs, but only after the Turnover Date),

advertisement or notice of any type on the exterior of a Residential Unit and no Owner shall erect any exterior antennae, aerials or awnings upon any Residential Unit. No clothesline or other similar device shall be allowed on any portion of any Residential Unit.

Section 11.06. Antennae and Satellite Dishes. No above-ground communication, electric or television lines or cable shall be placed by any Owner anywhere in the Development Area other than within homes or dwellings. No television or radio antenna, earth station dish, pole, wire, rods, satellite dish over twenty inches (20") in diameter, or other device used in connection with the reception or transmission of any television, radio or any other electrical signal shall be erected or maintained on the exterior of any home or dwelling or on any part of a Parcel. An Owner who desires to install a permitted satellite dish must attempt in good faith to properly screen such dish from the view of surrounding Parcels or place such dish in the rear of the Owner's Parcel, with the final location and screening of the satellite dish to be approved by the ARC.

Section 11.07. Animals. An Owner may not keep, raise or breed any animals, livestock or poultry in or on a Residential Unit, provided, however, that no more than two (2) pets shall be allowed to be kept in or on a Residential Unit, subject to the Rules and Regulations of the Association. Notwithstanding anything contained herein to the contrary, the Association may impose a Special Assessment against any Owner for (a) repairs or replacements required to be made to the exterior of the unit or the landscaped areas as a result of damage created by the Owner's animal, and/or (b) the Owner's failure to clean up after said pets. No animals shall be allowed to run loose at any time and no dog be allowed to continuously bark, yelp, whine or howl by the Owner of any Residential Unit.

Section 11.08. Vehicles. No recreational vehicles, motor homes, campers, boats, boat trailers, recreational equipment and trailers or other motor vehicles, except four-wheel passenger automobiles, shall be placed, parked or stored upon any Lot for more than forty-eight (48) hours, nor shall any maintenance or repair be performed upon any boat or motor vehicle upon any Lot, except within a fully enclosed building and totally isolated from public view.

Section 11.09. Plants, Plant Material. The planting materials are to be located and shall be reasonably maintained at the Owner's expense so as to present a healthy, neat and orderly appearance, free from refuse and debris. All unhealthy and dead material shall be replaced within six (6) months or the next appropriate planting season. No artificial grass, plants or other artificial vegetation shall be placed or maintained upon the exterior portion of the Lot unless approved by the Builder or ARC.

Section 11.10. Rubbish Trash, Garbage and Nuisance. No rubbish, trash, garbage or other waste materials shall be kept or permitted on any Lot or any portion thereof and all trash receptacles shall be kept in sanitary containers and shall be stored inside the garage. No firewood, scrap wood, limbs, branches, compost, composters, paper, bottles, tires or similar substances, filth, rubbish trash or noxious substance shall be collected or remain on any Lot or any part thereof which causes damage, prejudice or discomfort to others or the public or creates a breeding ground for insects or vermin.

Section 11.11. Mailboxes. The Declarant shall select and designate a standard mailbox and post as well as the styles of Cluster Mailboxes. Subject to the provisions of

Section 4.01(h) for Cluster Mailboxes, the Owner of the Residential Unit shall cause such standard mailbox and post to be installed prior to the occupancy of the Residential Unit. No exterior newspaper receptacles shall be permitted in the Development unless part of the standard mailbox. Subject to the provisions of Section 4.01(h) for Cluster Mailboxes, the Owner shall cause such standard mailbox to be maintained and/or replaced, if necessary, at the Owner's expense.

Section 11.12. Exterior Post Lights. The Declarant shall adopt and designate a standard exterior post light for all Lots and may designate a standard location for such exterior post light. The Owner of the Residential Unit shall cause such standard exterior post light to be installed prior to the occupancy of the Residential Unit. The Owner shall be required to maintain and replace said standard exterior post light. Exterior post lights shall be on and illuminated from dusk to dawn unless the Association shall provide otherwise by rule or regulation. No exterior lighting fixture, other than the post light approved by the Builder or landscape lighting shall be installed in the front yard of any Residential Unit.

Section 11.13. Flag Poles. Flag poles are permitted, provided the flag pole is not more than 25 feet in height.

ARTICLE XII

ENFORCEMENT

Each Owner and Occupant of a Residential Unit shall be governed by and shall comply with the terms of this Declaration and the Articles of Incorporation, By-Laws, and the Rules and Regulations of the Association adopted pursuant thereto as they may be amended from time to time. The Declarant and Builder shall have no personal or other liability, obligation or responsibility to enforce this Declaration or any part thereof. A default or violation by an Owner or Occupant of a Residential Unit shall entitle the Association or, in lieu thereof, any other Owner or Owners to the following remedies (i.e., any other Owner or Owners may act apart from and in place of the Association and/or the Board of Directors in administering and enforcing the provisions of this Article XII):

Section 12.01. Authority and Administrative Enforcement and Procedures.

a. Authority. Lots and Residential Units shall be used only for those uses and purposes set out in this Declaration, and subject to the covenants and restrictions set forth herein, and in the By-Laws and Rules and Regulations of the Association. The Board of Directors shall have the power and authority to impose reasonable Special Assessments in accordance with Section 9.03 hereof, which shall constitute a lien upon the Owner's Residential Unit and to suspend an Owner's right to vote, and to approve other appropriate sanctions in the event that it is determined in accordance with this Article XII that an Owner or Occupant has violated any provision of this Declaration, the By-Laws, or the Rules and Regulations as duly promulgated.

b. Procedure. The Board of Directors shall not impose a Special Assessment as a sanction, suspend the right to vote, or infringe upon any other rights of an Owner or Occupant for any such violations unless and until the following procedure is followed:

(1) Demand. Written demand to cease and desist from an alleged violation shall be served upon the alleged violator specifying: (a) the alleged violation; (b) the action required to abate the violation; and (c) a time period, not less than ten (10) days, during which the violation may be abated without further sanction.

(2) Notice. If the violation continues past the period allowed in the demand for abatement without sanction, the Association shall serve the violator with written notice of a hearing. The notice shall contain: (a) the nature of the alleged violation; (b) the time and place of the hearing, which time shall be not less than ten (10) days from the giving of the notice; (c) an invitation to attend the hearing and produce any statements, evidence and/or witnesses in his/her behalf; and (d) the proposed sanction to be imposed.

(3) Hearing. The hearing shall be held in executive session by the Board of Directors pursuant to the notice affording the violator a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of notice, the invitation to be heard, the written result and statements of the sanction shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice together with a statement of the date and manner of delivery is entered by the officer or director who delivered such notice. The notice requirement shall be deemed satisfied if a violator appears at the meeting.

c. Sanctions. The Board of Directors' power and authority to impose sanctions shall be governed by the following provisions:

(1) All Special Assessments imposed upon a violator under this Article shall bear a reasonable relationship to the violation, considering all the circumstances, which may include, but shall not be limited to, the following:

(a) The actual costs and expenses incurred by the Board of Directors and the individual directors in the exercise of the power and authority under this Article XII (including but not limited to reasonable attorneys fees and costs), and in otherwise attempting to remedy the violation.

(b) The amount of actual damage done to other Owners and Occupants and/or their Residential Units and/or to the Association arising out of the violation or the efforts to remedy the effects of same.

(c) The amount which would be reasonably required to compensate the Association for the disruption of and inconvenience to, the community, the Association or any Member thereof, or Occupant of a Residential Unit.

(d) The extent to which the violation is or was flagrant, and the extent to which the violator cooperated or hindered in any effort to remedy the violation.

(2) All Special Assessments amounts imposed hereunder as a sanction shall be deemed to be a part of the Assessment attributable to the Residential Unit occupied by the violator, and shall be assessed against said Residential Unit and its Owner as a Special Assessment to be due and payable on the date that the next Assessment payment would be due, and any such special Assessments which are not paid as of that date shall become a lien on such Residential Unit, and shall be collected and enforced in the same manner as Assessments.

(3) Nothing herein contained shall be construed as granting to the Board of Directors the power or authority to impose such a Special Assessment which is punitive in nature, or to suspend an Owner's right to vote, unless the Board of Directors finds, by specific special findings of fact in accordance with the foregoing procedure, that the violator's conduct was willful, malicious, oppressive and outrageous in nature. Said special findings of fact shall specifically set forth all facts and circumstances.

(4) All other sanctions imposed shall be reasonably related to the violation found.

(5) The decision of the Board of Directors made in accordance with the foregoing procedures shall be final.

Section 12.02. Legal Remedies. In addition to the administrative remedies set forth in Section 12.01 hereof, the legal remedies may include, without limiting the same, an action to recover sums due for damages, injunctive relief, foreclosure of lien, an action to enforce the sanctions imposed by administrative procedure, or any combination thereof. The prevailing party shall be entitled to recover the costs of any legal proceeding including reasonable attorneys' fees.

Section 12.03. No Waiver of Rights. The failure of the Association or of an Owner to enforce any right, provision, covenant or condition which may be granted by the Declaration, Articles of Incorporation, By-Laws and Rules and Regulations or by law shall not constitute a waiver of the right of the Association or Owner to enforce such right, provision, covenant or condition in the future.

Section 12.04. No Election of Remedies. All rights, remedies and privileges granted to the Association or any Owner pursuant to any terms, provisions, covenants or conditions of the Declaration, Articles of Incorporation, By-Laws and Rules and Regulations or by law shall

be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges.

ARTICLE XIII

Section 13.01. Declaration. Section 14.04. Re-recording of Declaration. If at any time or times the Board shall deem it necessary or advisable to re-record this Declaration, or any part thereof, in the Office of the Recorder of Deeds of Lake County, Indiana, in order to avoid the expiration hereof or of any of the covenants or other provisions herein contained, it shall subject the matter to a meeting of the Members of the Association called upon not less than ten (10) days notice, and unless at such meeting at least two-thirds (2/3) of said Members shall vote against such re-recording; the Board shall have and is hereby granted, power to so re-record this Declaration or such part thereof, and such re-recording shall be binding upon all Owners or any part of the Property in every way and with all the full force and effect as though such action were taken by each of said Owners and the re-recorded document executed and acknowledged by each of them.

In addition, a Special Amendment shall also be deemed to include, until the Turnover Date, such amendment to this Declaration as Declarant elects to record at any time and from time to time for any other purpose, so long as such amendment will not materially impair the rights of the Owners hereunder or materially increase the expenses to be borne by them hereunder. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Declarant to vote in favor of, make, or consent to a Special Amendment on behalf of each Owner as proxy or attorney-in-fact, as the case may be, said power shall be irrevocable. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument affecting a Lot, Parcel or Residential Unit and the acceptance thereof shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of, the power of the Declarant to vote in favor of, make, execute and record Special Amendments. Subject to the provisions of Article XIV hereof, the right of the Declarant to act pursuant to rights reserved or granted under this Section shall terminate at such time as the Declarant no longer holds title to any Lot, Parcel or Residential Unit.

All costs of the Declarant, the Builder or the Association's remedial activity (self help), together with interest at the rate of twelve percent (12%) per annum, including attorneys' fees actually incurred shall be assessed against the violating Owner and shall be collected as provided for herein. No liability shall be assumed or imposed by the Declarant, the Builder and/or the Association's exercise or failure to exercise such remedial activity. Section 14.11. Notices. Any notices required to be sent to any Owner under any provision of this Declaration shall be deemed to have been properly sent when mailed, postage paid, to the last known address of the Person who appears as owner on the records of the Lake County Auditor's official property tax records at the time of such mailing.

If any part of this Declaration, or any term, covenant, provision, phrase or other element, or the application thereof in any circumstances be judicially held in conflict with the laws of the State of Indiana, then the said laws shall be deemed controlling and the validity of the remainder of the

Declaration and the application of any other term, covenant, provision, phrase or other element in other circumstances shall not be affected thereby.

Section 14.15. Captions. Captions used in this Declaration, the Articles of Incorporation, the By Laws and the Rules and Regulations are inserted solely as a matter of convenience and shall not be relied upon or used in construing the effect or meaning of any of the text of this Declaration, the Articles of Incorporation, the By Laws and the Rules and Regulations.

To the extent applicable, necessary, or proper, the provisions of this Article XV apply to both this Declaration and to the By-Laws of the Association. Where indicated, these provisions apply only to "Eligible Holders," as hereinafter defined; provided, however, voting percentages set forth herein are subject to and controlled by higher percentage requirements, if any, set forth elsewhere in this Declaration for specific actions.

Section 15.01. Notices of Action. amendment of a material nature must be approved by Eligible Holders representing at least fifty-one percent (51%) of the votes of Residential Units that are subject to Mortgages held by Eligible Holders. An amendment to any of the following shall be considered material:

- a. voting rights;
- b. Assessments, Assessment liens, or subordination of Assessment liens;

- j. any provisions that expressly benefit mortgage holders, insurers or guarantors.

Section 15.03. Special FHLMC Provision. So long as required by FHLMC, the following provisions apply in addition to and not in lieu of the foregoing two sections of this Article. Section 16.06. Reserved Rights and Easements. Notwithstanding any provisions herein to the contrary, Declarant and Builder each hereby expressly reserves unto itself and its successors and assigns a nonexclusive, perpetual right, privilege, and easement with respect to any portion of the Submitted Parcel and any portion of the Development Area which becomes part of the Submitted Parcel, for the benefit of Declarant, Builder, or either of its successors, and assigns over, under, in, and/or on the real estate and any portion of the Development Area which becomes part of the Submitted Parcel, without obligation and without charge to Declarant or Builder, for the purposes of construction, installation, relocation, development, maintenance, repair, replacement, use and enjoyment and/or otherwise dealing with the Submitted Parcel and Development Area. The reserved easement shall constitute a burden on the title to all or any portion of the Submitted Parcel and any portion of the Development Area which becomes part of the Submitted Parcel and specifically includes, but is not limited to:

- a. the right of access, ingress, and egress for vehicular and pedestrian traffic over, under, on, or in all or any portion of the Submitted Parcel and any portion of the Development Area which becomes part of the Submitted Parcel; and the right to tie into any portion of the Submitted Parcel and any portion of the Development Area that becomes part of the Submitted Parcel with driveways, parking areas, streets, and drainage systems; and the right to tie into and/or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain, and repair any device which provides utility or similar services, including, without limitation, electrical, telephone, Internet, natural gas, water, sewer, and drainage lines and facilities constructed or installed in, on, under, and/or over all or any portion of the Submitted Parcel and any portion of the Development Area that becomes part of the Submitted Parcel, and in connection therewith the right to store construction equipment and materials in appropriate areas in areas owned by Declarant or Builder without payment of any fee or charge whatsoever; and
- b. the right to construct, install, replace, relocate, maintain, repair, use and enjoy model units, parking spaces, signs, lighting, construction offices, business offices and sales offices as, in the sole opinion of Declarant or Builder, may be required, convenient, or incidental to the construction of improvements and sale of units in all or any portion of the Submitted Parcel and Development Area;
- c. no rights, privileges, and easements granted or reserved herein shall be merged into the title of any Residential Unit within the Submitted Parcel and any portion of the Development Area that becomes part of the Submitted Parcel, but shall be held independent of such title, and no such right, privilege, or easement shall be

surrendered, conveyed, or released unless and until and except by delivery of a quit claim deed from Declarant or Builder releasing its respective right, privilege, or easement by express reference thereto with respect to all or any portion of the Submitted Parcel and any portion of the Development Area that becomes part of the Submitted Parcel.

This Section 16.06 may not be amended without the prior written consent of Declarant or Builder as to their respective rights under this Section.

ARTICLE XVII

ANNEXATION OF ADDITIONAL PROPERTY

Section 17.01. Annexation Without Approval of Membership. As the Owner thereof, or if not the Owner, with the consent of the Owner thereof, Declarant and Builder shall jointly have the right, privilege and option, from time to time at any time until the end of the twentieth (20th) year after the recording of this Declaration, to annex, submit and subject to the provisions of this Declaration, all or any part of the Development Area, or other property adjacent to or in the vicinity of the Development Area, by recording an amendment to this Declaration ("Supplemental Amendment") as hereinafter provided. For the purposes of this Article, any portion of the Development Area which is made subject to this Declaration by a Supplemental Amendment shall be referred to as "Added Property", any Lot in the Added Property shall be referred to as an "Added Lot" and any Parcel in the Added Property shall be referred to as an "Added Parcel." Added Property may be made subject to the Declaration at different times and there is no limitation on the order in which Added Property may be made subject to this Declaration. There is no limitation on the location of improvements which may be made on Added Property and no particular portion of the Development Area must be made subject to this Declaration.

Section 17.02. Power to Amend. In furtherance of the foregoing, Declarant and Builder jointly reserve the right to record a Supplemental Amendment, at any time and from time to time prior to twenty (20) years from the date of recording hereof, which amends those portions of this Declaration necessary to reflect the Added Property and the effect of the Added Lots.

Section 17.03. Effect of Amendment. Upon the recording of a Supplemental Amendment by Declarant and Builder which annexes and subjects Added Property to this Declaration, as provided in this Article, then:

a. The restrictions, conditions, covenants, reservations, lien, charges, rights, benefits and privileges set forth and described herein shall run with and bind the Added Property (including Added Lots and Added Parcels) and inure to the benefit of and be the personal obligation of the Owners of Added Parcels in the same manner, to the same extent, and with the same force and effect that this Declaration applies to the Submitted Parcel and Owners of Parcels which were initially subjected to this Declaration.

b. Every Person who is an Owner of an Added Parcel shall be a Member of the Association on the same terms and subject to the same qualifications and limitations as those Members who are Owners of Parcels.

c. Each Owner of an Added Parcel shall pay the same monthly Assessment as the Owner of an existing Parcel; provided, however, the Owner of an Added Parcel shall not be required to pay any installment of a Special Assessment levied to cover a deficit under a prior year's budget.

d. The amount of the lien for Assessments, charges or payments levied against an existing Parcel prior to the recording of the Supplemental Amendment shall not be affected.

Such Supplemental Amendment shall not require the vote of Members. Any such annexation shall be effective upon the filing for record of such Supplemental Amendment unless otherwise provided herein. Declarant and Builder shall jointly have the right to transfer to any other person the said right, privilege and option to annex such Added Property which is herein reserved to Declarant and Builder jointly, provided that such transferee or assignee shall be the developer or builder of at least a portion of such Added Property and that such transfer is memorialized in a written, recorded instrument.

Section 17.04. Amendment. This Article XVII shall not be amended without the written consent of Declarant and Builder, so long as the Declarant or Builder owns any portion of the Development Area.

Section 17.05. Annexation of Common Areas. If, at any time pursuant to this Article XVII, property is annexed adjacent to or in the vicinity of the Development Area, including but not limited to the property described in Exhibit "A," and said property includes property deemed Common Area, then it shall be the responsibility of the Association to maintain, repair and replace any part of the common area including but not limited to any retention or detention ponds.

ARTICLE XVIII

LIMITATION OF LIABILITY

Section 18.01. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY HEREIN, IT IS EXPRESSLY AGREED, AND EACH OWNER, BY ACCEPTING TITLE TO A LOT AND BECOMING AN OWNER ACKNOWLEDGES AND AGREES, THAT NONE OF DECLARANT OR BUILDER (INCLUDING WITHOUT LIMITATION ANY ASSIGNEE OF THE INTEREST OF DECLARANT OR BUILDER HEREUNDER), NOR ANY MEMBERS OR MANAGERS OF DECLARANT OR BUILDER (OR ANY MEMBER, PARTNER, OFFICER, DIRECTOR OR SHAREHOLDER IN ANY SUCH ASSIGNEE) SHALL HAVE ANY LIABILITY, PERSONAL OR OTHERWISE, TO ANY OWNER OR OTHER PERSON, ARISING UNDER, IN CONNECTION WITH, OR RESULTING FROM (INCLUDING WITHOUT LIMITATION RESULTING FROM ACTION OR FAILURE TO ACT WITH RESPECT TO) THIS DECLARATION EXCEPT, IN THE CASE OF DECLARANT OR BUILDER (OR ITS RESPECTIVE ASSIGNEE), TO THE EXTENT OF ITS INTEREST IN THE SUBDIVISION; AND, IN THE EVENT OF A JUDGMENT NO EXECUTION OR OTHER ACTION SHALL BE SOUGHT OR BROUGHT THEREON AGAINST ANY OTHER ASSETS, NOR BE A LIEN UPON SUCH OTHER ASSETS OF THE JUDGMENT DEBTOR.

IN WITNESS WHEREOF, the Declarant and Builder have caused this instrument to be signed as of this 6th day of November, 2017.

Section 2. Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Members as may be designated by the Board of Directors.

Section 3. Annual Meetings. The first annual meeting shall not be held until such time as the rights of the Builder to appoint all of the Board of Directors and to thereby control the Association shall have expired as provided in the Declaration, or at such earlier time or times as may be determined by the Builder. The next annual meeting shall be set by the Board of Directors so as to occur no later than ninety (90) days after the close of the Association's fiscal year. Subsequent annual meetings shall be held at a date and time as set by the Board of Directors. Subject to the foregoing, the Members shall, at each annual meeting after the Turnover Date, elect the Board of Directors of the Association in accordance with the provisions of these By-Laws and transact such other business as may properly come before the meeting.

Section 4. Special Meetings. The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the Association if so directed by resolution of a majority of a quorum of the Board of Directors or upon a petition signed by at least ten percent (10%) of the total votes of the Association. The Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum, provided that at least twenty-five percent (25%) of the total votes of the Association remains present in person or by proxy, and provided further that any action taken shall be approved by at least a majority of the Members required to constitute a quorum.

ARTICLE III

BOARD OF DIRECTORS: NUMBER, POWERS, MEETINGS

A. Composition and Selection.

Section 1. Governing Body; Composition. The affairs of the Association shall be governed by a Board of Directors. Except as provided in Section 2 of this Article, the Directors shall be Members or spouses of such Members; provided, however, no person and his or her spouse may serve on the Board at the same time.

Section 2. Directors during Builder Control. The Directors shall be selected by the Builder acting in its sole discretion and shall serve at the pleasure of the Builder until such time as is specified in the Declaration, unless the Builder shall earlier surrender this right to select Directors. The Directors selected by the Builder need not be Owners or residents in the Subdivision. After the period of Builder appointment, all Directors must be Members of the Association.

Section 3. Number of Directors. The Board of Directors shall consist of three (3) persons.

Section 4. Nomination of Directors. Except with respect to Directors selected by the Builder, nominations for election to the Board of Directors shall be made by a Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and two (2) or more Members of the Association. The Nominating Committee shall be appointed by the Board of Directors not less than thirty (30) days prior to each annual meeting of the Members to serve from the close of such annual meeting until the close of the next annual meeting, and such appointment shall be announced at each such annual meeting. Section 5. Election and Term of Office. Notwithstanding any other provision contained herein:

At the first annual meeting of the membership after the termination of the Builder's right to select all of the Board of Directors and at each annual meeting of the membership thereafter, Directors shall be elected. All Directors shall be elected at-large. All Members of the Association shall vote upon the election of Directors. The term of each Director's service shall be for a period of three (3) years and extending thereafter until his successor is duly elected and qualified or until he is removed, provided, however, that the terms of the members to the initial Board of Directors shall be for periods of three (3) years, two (2) years, and one (1) year, such that there shall be only one vacancy each year on the Board of Directors occasioned by the expiration of the director's term.

Section 6. Removal of Directors and Vacancies. Unless the entire Board is removed from office by the vote of the Association Members, and individual Director shall not be removed prior to the expiration of his or her term of office, except by the votes of a majority of the votes of the Members. In the event of death or resignation of a Director, his or her successor shall be selected by a majority of the remaining members of the Board and shall serve for the unexpired term of the predecessor.

Section 7. Voting Procedure for Directors. The first election of the Board shall be conducted at the first meeting of the Association after the Turnover Date. At such election, the Members or their proxies may cast, in respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration. The persons receiving the largest number of votes shall be elected.

B. Meetings.

Section 8. Organization Meetings. The first meeting of the members of the Board of Directors following each annual meeting of the membership shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board.

Section 9. Regular Meetings. Regular meetings of the Board of Directors may be held as such time and place as shall be determined from time to time by a majority of the Directors, but at least four (4) such meetings shall be held during each fiscal year with at least one (1) per quarter. Notice of the time and place of the meeting shall be communicated to Directors not less than four (4) days prior to the meeting; provided, however, notice of a meeting need not be given to any Director who has signed a waiver of notice or a written consent to holding of the meeting.

Section 10. Special Meetings. Special meetings of the Board of Directors shall be held when called by written notice signed by the President, Vice President, or Secretary of the Association, or by any two (2) Directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each Director by one of the following methods: (a) by personal delivery; (b) written notice by first class mail, postage prepaid; (c) by telephone communication, either directly to the Director

or to a person at the Director's office or home who would reasonably be expected to communicate such notice promptly to the Director; or (d) by electronic mail. All such notices shall be given or sent to the Director's address or telephone number as shown on the records of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at least four (4) days before the time set for the meeting. Notices given by personal delivery, telephone or electronic mail shall be delivered, telephoned or emailed at least seventy-two (72) hours before the time set for the meeting.

Section 11. Waiver of Notice. The transactions of any meetings of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the Directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any Director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Section 12. Quorum of Board of Directors. At all meetings of the Board of Directors, a majority of the Directors shall constitute a quorum for the transaction of business, and the votes of a majority of the Directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of Directors, if any action taken is approved by at least a majority of the required quorum for that meeting. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 13. Compensation. No Director shall receive any compensation from the Association for acting as such unless approved by a majority vote of the total vote of the Association at a regular or special meeting of the Association.

Section 14. Conduct of Meetings. The President shall preside over all meetings of the Board of Directors, and the Secretary shall keep a minute book of the Board of Directors, recording therein all resolutions adopted by the Board of Directors and a record of all transactions and proceedings occurring at such meetings.

Section 15. Open Meeting. All meetings of the Board of Directors shall be open to all Members, but Members other than Directors may not participate in any discussion or deliberation unless expressly so authorized by a majority of a quorum of the Board.

Section 16. Executive Session. The Board may, with approval of a majority of a quorum, adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, and orders of business of a similar nature. The nature of any and all business to be considered in executive session shall first be announced in open session.

Section 17. Action without a Formal Meeting. Any action to be taken at a meeting of the Directors of any action that may be taken at a meeting of the Directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Directors, and such consent shall have the same force and effect as a unanimous vote.

C. Powers and Duties.

Section 18. Powers. The Board of Directors shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of all Association's affairs and, as provided by law, may do all acts and things as are not by the Declaration, Articles of Incorporation or these By-Laws directed to be done and exercised exclusively by the Members.

The Board of Directors shall delegate to one of its Members the authority to act on behalf of the Board of Directors on all matters related to the duties of the managing Agent or Manager, if any, which might arise between meetings of the Board of Directors. In addition to the duties imposed by these By-Laws or by any resolution of the Association that may be hereafter adopted, the Board of Directors shall have the power to and be responsible for the following, in way of explanation, but not limitation:
